

Manuscript Formatting Example

www.meegeenius.com/challenge

Label each page as
"[PAGE 1]", "[PAGE 2]", etc.
using square brackets

- ✓ Combine all pages Together!
- ✓ Spell-checked!
- ✓ No text formatting (bold, italic, etc)

[PAGE 1]

This is Patricia. During the day, she's a regular little girl. She loves reading books with her parents, but not too many in a row. She likes to practice drinking from a big-girl cup, but not too much at a time.

<Pictures of Patricia reading with her Mom, and drinking a glass of water>

Put optional
image descriptions
in angle brackets

[PAGE 2]

She likes to climb on anything: the couch, the picnic table, or her dad. She likes to splash around in the tub with lots of bubble bath and toys.

<Pictures of Patricia climbing her couch and taking a bath>

Triple-space
between pages

[PAGE 3]

But at night, something happens. When Patricia changes into her pajamas, she feels like a new person. Patricia isn't just Patricia anymore.

She becomes... Pajama Girl!

< Pajama Girl appears in the living room, wearing a pajama super hero outfit complete with blankie tied on as a cape>

[PAGE 4]

Pajama Girl has special powers. She can continuously drink cups of water. She can wrestle her arch-enemy, the Toothbrush Kid. She can listen to one hundred bedtime stories without her eyes drooping at all. She can leap over her big-girl bed in a single bound.

<Collage of Patricia with a stack of books, an evil toothbrush, a stack of books, and her leaping over her bed>

No more than 450
characters per page
(not including image
descriptions)
